

How to register in the new storage portal

In order to register your company and user in the new storage portal, please follow the following steps:

1. Click on "Registration form" in the registration area

The screenshot shows the Storengy website interface. At the top, there is a teal header with the text "Storageportal" on the left and navigation links "CALL FOR OFFERS", "LOGIN", and "ENGLISH" on the right. Below the header, the "storengy" logo is displayed in green. A navigation menu contains the items "STORAGE INFORMATION", "OPERATIONS", "AUCTIONS", and "REMIT". The main content area features a large image of industrial storage tanks and pipes. To the right of the image is a white box with the "storengy" logo. Below the logo is a red-bordered box labeled "Registration" containing the text "You do not have an account yet? Please register here." and a "Registration form" button. Below this is a red label "Registration area". The main content area also includes a "Welcome to Storengy Deutschland's storage portal" section with a "Day-Ahead Products" button and a "Storage information" button. At the bottom, there is a "Subscribe for Call for Offers" section with a "Registration" button.

6. If your company has any contracts with us, you should be able to see them under “Operations”. Otherwise you can access the general information on our storages. The Day-ahead capacities are also to be found in the area “Storage Information” under the respective Storages. The Day-ahead booking procedure will be found under the “Operations” Button as a customer.

Please notice!

You have to designate an administrator for your company, whom we will activate.

This user will then be able to register other users and manage the different access rights of the company's users

After validation by Storengy, you can now access your area. If you are the admin, you can also manage the access of all users as well as register new users for your company.
