

Double storage capacity marketing: „Peckensen SY 24 Product“ and „Virtual Schmidhausen SY 24 & SY 25 Product“

Berlin, 6 June 2023. Storengy Deutschland will be marketing two storage products with a total working gas volume of around 900 GWh: the Peckensen SY 24 Product with a working gas volume of 403.2 GWh as well as the virtual Schmidhausen SY 24 & SY 25 Product with a working gas volume of 499.2 GWh. The auctions will take place on a date between 13 June 2023 and 30 June 2023, 01:00 p.m. - 03:00 p.m. (CET/CEST). The exact auction date for the respective marketing will be announced at the latest by 1:00 p.m. the day before. Interested parties will need to register in the [storage portal](#) with the corresponding mandate beforehand in order to be able to participate in the auction.

Overview of the products

Product	Peckensen SY 24 Product
Working gas volume	403.2 GWh in four bundles; 100.8 GWh per bundle
Injection rate/bundle	70 MWh/h (60 days nominal, 60 days real)
Withdrawal rate/bundle	191 MWh/h (22 days nominal, 29 days real)
Contract duration	01.04.2024 - 01.04.2025
Operative costs	Included for the first cycling, afterwards 1.00 Euro/MWh
Pricing	Fixed price in Euro/MWh
Auction date	A date between 13.06.2023 and 30.06.2023, 01:00 p.m. - 03:00 p.m. (CET/CEST)
Allocation until	Auction date until 03:20 pm at the latest
Injection/withdrawal curves	Curves need to be respected
Product	Virtual Schmidhausen SY 24 & SY 25 Product
Working gas volume	499.2 GWh in five bundles; 99.84 GWh per bundle
Injection rate/bundle	26 MWh/h (160 days nominal, 160 days real)
Withdrawal rate/bundle	80 MWh/h (52 days nominal, 88 days real)
Contract duration	01.04.2024 - 01.04.2026
Operative costs	<u>Alternative 1</u> : included for the first cycling, afterwards 1.00 Euro for each injected MWh <u>Alternative 2</u> : 1.00 Euro for each injected MWh <u>Alternative 3</u> : delivery of fuel gas equivalent
Pricing	Fixed price in Euro/MWh
Auction date	A date between 13.06.2023 and 30.06.2023, 01:00 p.m. - 03:00 p.m. (CET/CEST)

Injection/withdrawal curves	Curves need to be respected

About Storengy Deutschland

Storengy Deutschland, a company of ENGIE Group, is one of the leading gas storage companies in Germany. With around 150 employees across Germany, we are a reliable partner for storage services: we plan, build, and operate storage facilities and market their storage capacities. Our mission is to produce and store climate-neutral energy in order to sustainably supply tomorrow's generations. Therefore, we are developing innovative solutions for storing hydrogen and producing renewable gases. The company's headquarters are in Berlin.
